

# Brooke Tuley & The Moon Travelers

---

**Album:** *Chase Me*

**Release Date:** May 2024

**Genre:** Indie Americana / Folk Rock

**About the Album** - *Chase Me* captures the quiet resilience of a life in motion — an album about rolling by, holding on, and noticing the grace in the spaces between. Recorded over fifteen months in Brooke and Mike Tuley's home studio (Purple Sky Blues) in Kansas City, the album moves from heartache to healing through poetic storytelling and warm, analog textures.

The songs trace a journey through love, loss, and renewal — anchored by Brooke's heartfelt vocals and steady, grounded songwriting. Each track feels lived-in, a testament to time, change, and connection.

## Track List + Highlights

1. Chase Me | 2. Holding On | 3. Build a Ship | 4. Water  
5. Rising Sun (instrumental) | 6. Beyond the Veil | 7. Rolling By

- **"Holding On"** — a steady anthem of resilience – finding grace in endurance when the current won't let go.
- **"Build a Ship"** — a nostalgic daydream that sails through memory, love, and time's gentle drift.
- **"Rolling By"** — a slow-moving reflection on change, connection, and the quiet beauty of passing through.

**The Companion Book** Alongside the record, Brooke released *Chase Me — A Visual Collection of Art, Poetry, and Movement*, a 60-page companion book organized by track listing. It pairs lyrics, photography, and visual art from artists and writers connected to Kansas City, Lawrence, and Wichita, expanding the world of the album into something tactile and deeply personal.
